### **3A CONTINUES ON GROWTH COURSE**

Also in the current year the team of 3A has experienced reinforcement: Frederike S. Düvelius, who has already supported 3A as a trainee lawyer and research assistant, joined 3A as a lawyer on 1 August 2017. She is the second new member after Aldo Trentinaglia had joined 3A a year ago. Ms Düvelius has in-depth knowledge of real estate law, which she acquired in her notary's office at Gänsemarkt and at Freshfields Bruckhaus Deringer in Hamburg.

At the beginning of April, the 3A notarial team took another important step forward with the appointment of Stefan Meusel, lawyer and founding partner, as notary.

Almost two years after its foundation, 3A now has five professionals, of whom the founding partners Dr Hermann Stapenhorst, MRICS and Stefan Meusel are also notaries.
