### **DR HERMANN STAPENHORST BECOMES A RICS MEMBER**

The Royal Institution of Chartered Surveyors (RICS) is the world's leading association of highly qualified real estate and construction professionals working to strict professional standards, representing over 100,000 qualified members in more than 140 countries around the globe. Since 1868 it has been committed to the development and maintenance of the highest professional standards in professional practice. RICS acts as a regulatory body that ensures compliance with the strictest standards and thus creates the basis for a lasting relationship of trust between customers and consultants in the real estate sector.

Professional Members of RICS are internationally recognised and sought-after real estate experts and stand for proven specialist knowledge and competence, for compliance with the highest standards and professional ethical principles as well as for an international character.
